STATINTL

As you know, [REDACTED] seems to have had some influence in triggering a wall mural idea for Headquarters Building areas. Later, she submitted the attached suggestion dated 11 February 1977.

STATINTL

Obviously, [REDACTED] idea had to be accepted before the competition could be started. Therefore, it appears as though she had an advisory role.

STATINTL

Would appreciate your recommendations as to the level of award believed warranted for this employee and the amount you recommend. Usually, we apply the Intangible Benefits Guide scale attached herewith.
